

Prof. Warebi Gabriel Brisibe

Rivers State University, Nkpolu-Oroworukwo,
Port-Harcourt, Nigeria
ORCID No: 0000-0003-1751-000X
warebi.brisibe@ust.edu.ng

Prof. Warebi Brisibe holds a Bachelor's degree and a Master's degree in Architecture from the University of Jos, Nigeria and a PhD in Architecture from Newcastle University, United Kingdom. He specializes in colonial and post-colonial Architectural heritage, as well as Architectural theory and culture.

Warebi Gabriel Brisibe, is a full professor at the Department of Architecture, Rivers State University, Port-Harcourt and has worked in that institution from 2013 to date. Prior to that he worked at the newly formed Department of Architecture, School of Environmental Technology (SOET) Federal University of Technology, Owerri, for one session (2012 – 2013). He has also served as a research fellow with the Canadian Centre for Architecture in Montreal (2019 – 2023). He has presented seminars and keynote lectures at the University of Manchester, UK; the Liepniz institute of space and planning, mid-term workshops; the Taubman College School of Architecture and Planning, University of Michigan, Ann Arbor; and the Niger Delta University, Bayelsa State, Nigeria.

He is a member of a number of professional organisations and international research networks such as the Nigerian Institute of Architects (NIA), the Commonwealth Association of Architects (CAA) where he serves as a member of the seven-man International Education Committee overseeing schools of Architecture in all 56 countries of the Commonwealth. He is the National Chairman of Heritage Committee of the Nigerian Institute of Architects and also the NIA's representative to the African Union of Architects Heritage Committee. He is a member of the International Society for Vernacular Studies (ISVS) and the African Architectural and Urbanism Histories Network (AFRAUHN).

He is a recipient of a number of local and international research grants, namely; the IBR Tertiary Education Trust Fund Grant (TETFUND 2016); the Canadian Centre for Architecture CCA/Mellon Research Grant (2019-2022); the Gerda Henkel Stiftung patrimonial grant (2022 – 2023); the African Heritage and Humanities Initiative Seed Grant from the University of Michigan (2023 – Date) and the CCA Find and Tell Elsewhere grant (2023 - Date).
